MAZDA CX-5

INTRODUCTION

EXPERIENCE THE BEAUTY OF LIFE

Introducing the elegant Mazda CX-5, available in three distinct models tailored to your driving preferences. The 2.0L Active offers essential comfort and efficiency, while the 2.0L Dynamic adds advanced features for a more engaging drive. For exclusivity, the 2.0L Carbon Edition features unique styling elements. Each variant delivers responsive performance and stylish design, ensuring a superior driving experience. Discover your perfect Mazda CX-5 today.

THE SPIRIT IN MOTION

The Mazda CX-5 transcends quality design and performance, igniting emotions of joy and exhilaration. It embodies Mazda's "KODO – Soul of Motion," making drivers feel profoundly connected with every touch of the steering wheel. Beyond its elegant alloy wheels, sophisticated grille, and LED lighting, it offers a beautiful aesthetic that resonates deeply, ensuring you're exactly where you're meant to be.

MAZDA CX-5 PERFORMANCE

CONNECTING FEELING WITH FUNCTION

Mazda's challenger spirit led to the innovative SKYACTIV Technology, underpinning the Mazda CX-5's efficient performance. This technology, a hallmark of Mazda, ensures unmatched road comfort, optimizing fuel efficiency, power transmission, chassis dynamics, and cabin quietness. It's designed to enhance every driving aspect, providing a seamlessly comfortable journey.

SKYACTIV TECHNOLOGY

The Mazda CX-5 has SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver, which is referred to as Jinba Ittai. All of this adds up to an exceptional drive that feels like it's been crafted just for you.

SKYACTIV-G 2.0L

SKYACTIV-G engines offer remarkable fuel efficiency and robust torque across low to mid-range speeds, ensuring linear acceleration and a dynamic driving experience in any scenario. The 2.0L engine produces 121 kW power and 213 Nm torque, with an impressive fuel consumption of just 6.9L per 100 km.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed automatic transmission merges the advantages of traditional automatic, continuously variable, and dual-clutch systems, enhanced by a gearshift control that anticipates driving intentions.

MAZDA CX-5 FEATURES

SAFETY THAT'S READY FOR THE UNEXPECTED

A priority of the Mazda CX-5 is to maximise the safety of every passenger on board. Built with a rigid body frame, every model is equipped with 6 SRS airbags, Dynamic Stability Control (DSC), Emergency Brake Assist (EBA), as well as Electronic Brake-force Distribution (EBD) to ensure your safety.

ADAPTIVE LED HEADLAMPS & REAR PARKING ASSIST

The Mazda features Adaptive LED Headlamps (ALH) that optimize visibility, adjusting beam shape and brightness at different speeds to enhance safety. Rear lamps vary in brightness based on movement. Front and rear parking sensors simplify maneuvering in tight spaces, ensuring easy and safe positioning. *Front & rear parking sensors only available on Carbon Edition.

AN ICON REFINED

The Mazda CX-5 Carbon Edition features advanced safety technology, including a 7-inch meter display, Head-Up Display, Integrated Navigation, Rear Cross Traffic Alert, and Lane Departure Warning for seamless progress. Elevate your drive with the 10-speaker BOSE® sound system, offering diverse access for a personalized experience.
